Large Group Critique

- We are back from our long journey to the Isle of Color where we documented the flora and fauna. Now our job is to describe and analyze the flora and fauna we found from our exploration.
-

Flora and Fauna

- What climate does this island seem to have?
- Who eats what?
- What fauna has the most personality?
- What flora looks the safest to eat?
- Which flora or fauna looks the most foreign?
- Which color scheme sticks out to you most?
- What drawing technique interests you?
- Which piece would you hang in a museum?

... and
why???
